MARIETTA DAILY LEADER

FRIDAY, MAY 22, 1886.

PERSONAL AND LOCAL.

—We missed our foreign news yesterday morning; caused by a train wreck near Chillicothe.

—Choral Society full rehearsal in the Auditorium this afternoon at 8:30. All members requested to attend.

—Mr. Wm. R. Coleman had exhibited in Peddinghaus' window yesterday some very rich gold ores from Colorado. The specimens are as fine as exist, the gold being abundant flakey evidence all over the surface and indicating what lies beneath.

—Mrs. Samuel Hart has issued invitations asking her lady friends to partake of her genial hospitality Tuesday evening of next week from 4 to 8 o'clock.

—Mrs. C. C. Lyman, West Side, will give a tea tonight to a number of lady friends.

—Mrs. Jno. H. Riley will leave today for Chicago to visit her daughter, Mrs. Friend Dye.

—We sell goods that will wear and hold the color. Try us! S. R. VAN METRE & CO.

—The Advisory Board of the Columbus Building, Loan and Installment Co. met in this city Wednesday evening, and organized a local branch of the Association, officered as follows: Richard Stehle, President, Sam. Sulzbacher, Vice-President, J. D. Paye, Secretary, Jewett Palmer, Treasurer, J. C. Brennan, Attorney. The branch starts off with 12 members among our most prominent citizens, and a number of handsome subscriptions have been made.

—Charles Briant, who is now Parkersburg's crack wheelman, has been, and is still, in active training for the races at Marietta on the 30th inst. He trains at the new City Park, and is now at work on fast time, having gotten himself into a fine hardened condition. Our reporter visited the Park early yesterday morning, and found Briant hard at work. The watch was on him while he was pedaling in the face of a strong wind, and if he does as well at Marietta, you can wager on him. In fact the Parkersburg Wheel Club will attend the races in a body, and expect to back Briant with their money, and enthusiasm. Briant is in the pink of condition.—Parkersburg Journal.

—A bad freight wreck occurred Wednesday evening on the B. & O. S. W., at McArthur Junction, 35 miles east of Chillicothe, which was not cleared up until 3 o'clock next morning. Nobody was hurt, but several empty cars were completely demolished. The accident is supposed to have been caused by a brakeman falling upon the track, and derailing a car.

—The diphtheria quarantine at New Matamoras has been raised. Fears of further ravages of the disease are abating.

—Pearl Athey, of Belpre, who was in the races at Marietta last year, has received a new Monarch racer and is training hard for the coming "Diamond Meet" of the Lobbell Cycling Club at Marietta, on Decoration Day. He is a swift and steady rider and with proper training will take a good place in the races.—Parkersburg Journal.

—Harry Kennedy, of Belpre, has accepted the position of manager of the large canning factory at Ravenswood. The plant is the largest of its kind in the State and has so far done a successful business. Mr. Kennedy has had about ten years experience in the canning business and is well fitted for the work.

—Mrs. G. W. Mason, of Stafford, O., is the guest of her son, W. P. Mason.

—Miss Mahala McCallister is in Cincinnati attending the May Festival.

—Lowest possible prices for cash. We buy and sell for cash only. No better way known! S. R. VAN METRE & CO.

IN THE OIL FIELDS.

Phil Barry's oil well in the shallow sand east of town, was shot Thursday afternoon. Oil was thrown over the derrick, and on the boiler, and caught fire from the furnace, and made things lively for a time, but was extinguished without doing any damage. It is not thought there is oil in sufficient quantity to pay for pumping.—Caldwell Journal

Mr. Andrew Nicholson struck a fifteen barrel oil well at Senecaville, Guernsey county, at a depth of 260 feet, in the Macksburg 500 foot sand on a three-cornered five-acre lot owned by M. Millhorn. Connor, Culp & Co. have the land leased on two sides of the five-acre lot, the town of Senecaville making the third side of the triangle. Three weeks ago, McFarland, of Cambridge, struck a five-barrel well about one-fourth of a mile northwest of the Nicholson well on the west side of the town.—Zanesville Times-Recorder.
